PARISH LIFE

MISSIONARY CO-OP COLUMBAN SISTERS

Sister Carmen Maldonado, SSC from Los Angeles, is sharing with us today for our mission appeal under the 2014 Missionary Co-operation Plan of the Archdiocese of Los Angeles. She served in Chile, South America for many years and at present based in Los Angeles.

Sister Carmen will enlighten us to the struggles and needs of the frail, neglected, elderly and forgotten in the remote and distant lands of Chile, China/Hong Kong, Korea, Pakistan, Myanmar (Burma), Philippines and Peru. The Columban Sisters are missionaries in these and other areas around the globe. Your financial support will enable them to continue to spread the Good News (Gospel) and offer love, comfort, care and supportive services to those in need. **You can make a difference in the lives of others for years to come.** Please be generous.

GRACE IS EVERYWHERE

Grace is everywhere. People of faith act on this belief. As Christians we are called to reach deeply into ourselves and find God's presence there. We are called to reach outside ourselves and find God there, too. The reality of grace has sustained and nourished people beyond numbering. The church never tires of telling the story of the loaves and fishes. It is narrated no less than six times in the four Gospels. We imagine the hesitant apostles reaching into the baskets and finding bread, always more bread. We anticipate the ending. The apostles will wear out before the bread runs out. At another time and place, Isaiah also spoke of an abundance, this time of water, sweet honey, and rich milk. Always, always God is a gift-giver, and we the receivers. Our response is doxology, or praise. In the second reading Paul provides the words and attitude. Praise is everywhere. Copyright © J. S. Paluch Co.

TREASURES FROM OUR TRADITION

Most parishes are now aware of the catechumenate and the journey of new faithful in the RCIA, but this form of sacramental initiation disappeared from view in the thirteenth century along with many other ancient practices. Life back then was hard, and often too short, and priests were increasingly insistent about the responsibility of parents to baptize children in danger of death. Since everyone in that society was under unimaginable threat from famine, warfare, and plague, the liturgical rites changed quickly. Everyone was in danger of death all the time. No longer were babies immersed in fonts, being lowered into the water, although the ritual books never backed down from immersion. Infusion was the new way, a simple pouring of a few drops of water on the child's forehead. The catechumenate collapsed, being reduced to the recitation of the Creed and an Our Father at every baptism. Amazingly, any provision for adult baptism was shelved, so that as late as the 1950s, a person being baptized was presumed to be an infant, unable to answer for him or herself. Questions of creed and commitment were put to the godparents, not to the person being baptized. Even Dorothy Day and Thomas Merton, famous adult converts, remained mute at their baptisms while their sponsors answered for them. In hindsight all this appears strikingly odd, yet it was accepted as the way things were. We have good reason to give thanks for the vigorous reforms of the last fifty years! —Rev. James Field, Copyright © J. S. Paluch Co.

SAFEGUARD THE CHILDREN

Text Messaging: Understanding the Codes

Monitoring a child's Internet browsing and cell phone use are important and challenging aspects of being a parent and "Keeping Kids Safe". In keeping track of your child's text messaging, with its dizzying array of coded abbreviations and symbols, there are some codes that every parent should keep his/her eyes open for. These are codes that kids use to warn others that their parents are around or that they use to talk about sex, drugs, or to arrange a meeting. For a "Glossary of Text Messaging Abbreviations" and other related resources contact the Office of Safeguard the Children (213) 637-7227

SJW MEMORIAL SOCIETY

A Mass is offered for those enrolled every first Saturday of the month at our 8:30 a.m. Mass. The enrollment list is kept in the Parish Center and is accessible during office hours. Each memorial is presented in a handsome leatherette folder, containing an enrollment card where the name of the person remembered is inscribed, along with the person who the deceased. The leatherette folder with personalized enrollment card is particularly suitable on the occasion of a death, to bring to a viewing or funeral, or to send as an anniversary remembrance. Call the Parish Center to make arrangements.

PROTEGIENDO A LOS NIÑOS

Mensajes de Texto: Códigos que todos los padres deben de saber

Como padres, es importante y a veces difícil controlar y monitorear las actividades que llevan a cabo sus hijos cuando se encuentran frente a la computadora o en sus teléfonos celulares. En el seguimiento de mensajes de texto de sus hijos, con su increíble variedad de abreviaturas y símbolos codificados, hay algunos códigos que todos los padres deben de saber. Los jóvenes utilizan algunos de estos códigos para advertir a los demás de que sus padres están cerca o los utilizan para hablar de sexo, drogas, o para concertar una reunión. Para una "Lista de acrónimos para mensajes de texto", y otros recursos relacionados, contacte a la oficina arquidiocesana de Protección a los Niños (213) 637-7227.

To promote a spirit of belonging, we encourage all who worship here to become registered parishioners. Having registered makes the process much easier when it is time for infant baptism, school or religious education enrollment, weddings, when asked to be a baptismal or confirmation sponsor, and funerals. Simply attending Mass here does not make you a registered parishioner. Please call or visit the Parish Center to request a registration form or complete the form online at the parish website: www.sjwchurch.com. Also, please contact the Parish Center if you have a new address or phone number. The staff is able to serve you better if the parish records are accurate.
