GOD IS ON THE SIDE OF THE POOR

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, members of the Jewish and Christian communities, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated and as confusing as our own.

TREASURES FROM OUR TRADITION

Although June is the month most associated with weddings in the United States, September has become more popular in recent years. Wedding celebrations always require some savvy planning, and people who have a talent for hospitality in the mix. At the wedding feast at Cana, the mother of Jesus was recruited to deal with some of the details of the banquet, and when a very understandable crisis arose, she did what she could to rescue the party. Anyone who has ever run out of ice, desert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the Nuptial Blessing, one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate their anniversaries well, especially with the clinking of glasses filled with good wine.

SAFEGUARD THE CHILDREN

The Archdiocese is participating in an independent compensation program for victim-survivors of sexual abuse of minors by priests. The Archdiocese of Los Angeles, along with five other dioceses in California, will be participating in an independent program to offer persons who were victims of abuse as minors by diocesan priests, access to compensation as well as access to counseling services if they chose. Those harmed many years ago and barred from filing lawsuits because of civil statutes of limitations will be eligible to make claims under the Independent Compensation Program for Victim-Survivors of Sexual Abuse of Minors by Priests. The Archdiocese's participation in the program is part of a long-standing commitment to supporting and compensating victims of abuse, the protection of children and the vulnerable, and the prevention of abuse and misconduct in Catholic parishes, schools and ministries. Nationally recognized mediators and private compensation program administrators, Kenneth R. Feinberg and Camille S. Biros will administer the program.

PROTEGIENDO A LOS NIÑOS

La Arquidiócesis participa en un programa de compensación independiente para víctimas-sobrevivientes de abuso sexual de menores por parte de sacerdotes. La Arquidiócesis de Los Ángeles, junto con otras cinco diócesis en California, participará en un programa independiente que ofrece acceso a compensación y servicios de consejería, si así lo desean, a las personas que fueron víctimas de abuso cuando eran menores por parte de sacerdotes diocesanos. Aquellos que fueron afectados hace muchos años y excluidos de presentar demandas, debido a los estatutos de limitaciones civiles, serán elegibles para presentar reclamos bajo el Programa de Compensación Independiente para Víctimas-Sobrevivientes de Abuso Sexual de Menores por Sacerdotes. La participación de la Arquidiócesis en el programa es parte de un compromiso de largo plazo para apoyar y compensar a las víctimas de abuso, proteger a los niños y a las personas vulnerables, y para prevenir el abuso y la conducta inapropiada en las parroquias, escuelas y ministerios católicos. Los nacionalmente reconocidos mediadores y administradores privados de compensación, Kenneth R. Feinberg y Camille S. Biros administrarán este programa.

TRADICIONES DE NUESTRA FE

La última mitad del siglo pasado, nuestro continente vio el derrame de muchísima sangre cristiana. No podemos olvidar la sangre de quienes dieron la vida por el Evangelio de la justicia: Michel Quiroga evangelizador colombiano; Agustina Rivas monjita peruana; Vicente Matute líder indígena hondureño; Marlene Kegler una universitaria de 23 años argentina. Estos son algunos ejemplos de tantos que murieron creyendo que la doctrina cristiana no se puede contener en templos y conventos. Dieron la vida por querer vivir su fe en situaciones de discriminación e injusticia. Derramando su sangre se convirtieron en ángeles de justicia que gritan a Dios uniendo sus voces a la de Abel.

Todos estos mártires latinoamericanos murieron a manos de latinoamericanos. Dieron sus vidas, según la mártir chilena Joan Alsina, como granos de trigo. Y desde el cielo ella nos pide: Esperamos tu solidaridad.

¿Entiendes ahora lo que significa el Cuerpo de Cristo? Si nosotros nos hundimos es algo de tu esperanza la que se hunde. Pero si de las cenizas asumimos la vida de nuevo, es algo que nace de nuevo en ustedes.

PARISH REGISTRATION

To promote a spirit of belonging, we encourage all who worship here to become registered parishioners. Having registered makes the process much easier when it is time for infant baptism, school or religious education enrollment, weddings, when asked to be a baptismal or confirmation sponsor, and funerals. Simply attending Mass here does not make you a registered parishioner. Please call or visit the Parish Center to request a registration form or complete the form online at the parish website: www.sjwchurch.com. Also, please contact the Parish Center if you have a new address or phone number. The staff is able to serve you better if the parish records are accurate.
