

## **A Message from the Office of the Vicar for Clergy**

### **St. Joseph the Worker**

We wish to advise the parish community of St. Joseph the Worker that father José Santos Ticlla, a priest from the Territorial Prelature of Chota, Peru, has been placed on administrative leave effective April 12, 2021, pending an investigation dealing with sexual misconduct involving an adult woman from a previous assignment.

Anyone who has information is asked to call the Victims Assistance Ministry office at 213-637-7650. Please keep everyone impacted by this matter in your prayers.
