New Tuition Assistance Initiative

The Catholic Education Foundation of Los Angeles has received a \$50 million gift from the Shea Foundation to provide financial support to new elementary and high school students enrolling in an Archdiocesan school in Los Angeles, Ventura and Santa Barbara counties.

This donation is for NEW families to our Catholic school system and can be up to 50% OFF TUITION! So, if you know of a family who you think would be a wonderful addition to our #SJWFamily, but the only reason they are hesitating to apply is to cost of tuition, please pass this information along.

- Student can be in grades Kindergarten through 8th Grade.
