Francis on the Environment

Addressing his Encyclical on the environment, *Laudato si'*, to "every person living on this planet," Pope Francis appeals for a new dialogue about the future of our common home.

The title, *Laudato si'*, is from "Canticle of the Creatures," a prayer of St. Francis of Assisi, Patron Saint of Ecology.

PARISH LIFE

SENT BY GOD

In Amos' time the vocation of prophet had achieved a very formal status in Israel. The prophets had arisen, originally, to act as God's voice when Israel was no longer led by the spiritual/civil figures known as "judges," but by monarchs. Over time, the monarchy had appropriated the offices of priest and prophet, established them into companies, and reserved the right to appoint courtly prophets. Then, as now, when those in power also got to choose who would act as their official conscience, things sometimes went awry. At such times, God raised up prophets from unlikely places, and this is how Amos received his vocation as prophet. In last week's Gospel we heard how Jesus was raised up as God's anointed from a place many viewed as unlikely. As we continue to discern our own vocation as baptized disciples, we can be assured that we are, in Paul's words, "chosen, destined in accord with the purpose of the One who accomplishes all things according to the intention of his will" (Ephesians 1:11).

TREASURES FROM OUR TRADITION

Many marriage customs stand in tension with modern American attitudes and values, notably "giving away the bride," which is no longer in the Catholic liturgy, and reminds us of a time when marriage was a contract between men (the groom and the bride's father). A Mexican custom, now approved for use in the United States, has a very different message.

An ancient Roman custom called for smashing pieces of gold and silver so that bride and groom could each keep half. This is the origin of today's Mexican practice of the groom giving thirteen gold coins to the bride, symbolically placing all his worldly goods into her care, and a sign of his unconditional trust. The coins are often given in beautiful gift boxes and are retained as an heirloom. Why thirteen? The standard explanation is that they represent Jesus and the apostles. The priest blesses the coins and pours them into the bride's cupped hands. Then she entrusts them to the groom, who later pours them back into her hands. This enduring ritual is in such harmony with our tradition's view of marriage that it is now increasingly performed by English-speaking Hispanic Catholics at weddings in the United States.

SJW MEMORIAL SOCIETY

St. Joseph the Worker Memorial Society is intended as a meaningful and beautiful way for persons to remember their beloved deceased or to express their condolences to friends who have lost a loved one. Persons enrolled in the Memorial Society will share in the spiritual benefits of special Masses and prayers offered throughout the year, every year. A Mass is offered for those enrolled every first Saturday of the month at our 8:30 a.m. Mass. The enrollment list is kept in the Parish Center and is accessible during office hours. Each memorial is presented in a handsome leatherette folder, containing an enrollment card where the name of the person remembered is inscribed, along with the person who enrolled the deceased. The leatherette folder with personalized enrollment card is particularly suitable on the occasion of a death, to bring to a viewing or funeral, or to send as an anniversary remembrance. Call the Parish Center to make arrangements.

SAFEGUARD THE CHILDREN

Help children be aware of unhealthy behavior among others

Children have more opportunities to be out of your immediate sight during the summer. It's important to remind your child that if another child or adult – including people they know and trust – try to touch them inappropriately they should: Say NO and GET AWAY from any person or situation that makes them feel scared, uncomfortable or confused. Tell them to TRUST THEIR FEELINGS and be sure to TELL a trusted adult. And it's never too late to tell a trusted adult what happened. PROTEGIENDO A LOS NIÑOS

Ayude a los niños a identificar conductas inapropiadas

Durante el verano hay mayores posibilidades de que los niños no estén directamente bajo su supervisión. Por eso es importante recordarles a sus hijos que si un niño o adulto – aunque sea conocido y de confianza – trata de tocarlos de manera inapropiada, ellos deben decir NO y HUIR de la persona o situación que los hizo sentir asustados, incómodos o confundidos. Diles que CONFIEN EN SUS INSTINTOS y HABLEN con un adulto de confianza.

Nunca es demasiado tarde para decirle a un adulto de confianza lo que pasó. Para obtener una copia del artículo completo del National Center for Missing and Exploited Children, escriba a: jvienna@la-archdiocese.org

ENVIADO POR DIOS

En la época de Amós la vocación de profeta había adquirido una posición muy formal en Israel. Originalmente los profetas habían surgido como los portavoces de Dios cuando Israel ya no se veía guiado por las figuras religioso-civiles a quienes conocemos como los "Jueces", sino por los Reyes. Al correr del tiempo la monarquía de Israel se había apropiado los oficios de sacerdote y de profeta, estableciéndolos como órdenes, y reservándose el derecho de nombrar profetas oficiales para la corte real. Entonces, como ahora, cuando los que estaban en el poder escogían a los que iban a servirles de "conciencia oficial", a veces las cosas se torcían. Y entonces Dios escogía profetas de donde menos se les esperaba. Así fue como Amós recibió su llamado a profetizar. En el Evangelio del domingo pasado vimos cómo Jesús surgió como el Ungido del Señor aunque venía de un lugar que muchos consideraban poco probable. Y nosotros, cuando continuamos discerniendo nuestro propio llamado bautismal a ser discípulos, podemos estar seguros de que estamos, en las palabras de san Pablo: "destinados [para eso], por decisión del que lo hace todo según su voluntad" (Efesios

1:11). Copyright © J. S. Paluch Co.

PARISH REGISTRATION

To promote a spirit of belonging, we encourage all who worship here to become registered parishioners. Having registered makes the process much easier when it is time for infant baptism, school or religious education enrollment, weddings, when asked to be a baptismal or confirmation sponsor, and funerals. Simply attending Mass here does not make you a registered parishioner. Please call or visit the Parish Center to request a registration form or complete the form online at the parish website: www.sjwchurch.com. Also, please contact the Parish Center if you have a new address or phone number. The staff is able to serve you better if the parish records are accurate.

REQUESTING USE OF PARISH FACILITIES

Parish and School groups that would like to reserve any facility in the parish must contact Angela Escobar in the Parish Center (818) 341-6634, ext. 1003. Only rooms reserved in advance are open. If your group needs to cancel a reservation, please let Angela know so that the room can be made available to another group. Also, if your group needs a particular room arrangement, please bring a copy of the requested floor plan to the Parish Center a week ahead.

BULLETIN AND MASS ANNOUNCEMENTS

The deadline (strictly observed) for submission of **Bulletin** and **Mass** announcements is the previous Monday at noon. Deliver a copy of the bulletin or Mass announcement to the Parish Center or email it to Angela Escobar: angela_escobar4@hotmail.com. To submit a photo to accompany the bulletin text, send a digital file (jpeg or TIF), color or black/white, 300 dpi. See the front cover for the parish mailing address and fax number. For more information please contact Angela Escobar, (818) 341-6634, ext. 1003.
