

First Holy Communion 2015

**In celebrations on
May 3, May 9, and May 16,
children from
St. Joseph the Worker School
and our religious education
programs (English, Spanish, and
Vietnamese) received Jesus for
the first time.**

**These are very meaningful
moments for our children and
their families, and this year's
Masses were particularly
beautiful.**

**We are grateful to the teachers and
catechists who prepared our
children for this day.
A special thank you as well to the
parents, grandparents, and
godparents, who assisted in so
many ways to prepare our children
for their First Holy Communion.**
