

2015

GLORIFYING
GOD
THROUGH
ACTIONS

Our annual June parish festival – the major fundraiser of the year – had a new name and a new look in 2015.

The “World Fair” reflects who we are, a diverse community and spiritual home to people from around the world.

Rides and game booths, along with international food and bingo, were again part of the festivities, including this year the now-famous “Dunk Tank.”

Other new attractions included a fabulous silent auction and live entertainment throughout the three-day event.

Parishioners and friends of SJW and local businesses were invited to become fair sponsors, another first for this year's fair.
